PYCON<sup>(NL)</sup> 2025

# Why sponsor PyCon NL?

2025 is the second year PyCon NL will be organized. Last year PyCon NL was sold out with 250 attendees. Our care for quality resulted in an amazing community where we have been growing. This year, we will be growing even more by having an even bigger location in which we can host 400 PyConNL enthusiasts.

The reason for sponsoring PyCon NL is to help the community grow, sponsors are what makes this conference possible. By having sponsors, we can keep our prices low. Therefore, this conference can be accessible to everyone interested.
